EVALUATION:

In this learning guide, you will be preparing to write the course final exam. The Final Exam is worth 20% of your school mark (it counts for LG 20). However, if you do better on your course final exam than your current course average, then the course final exam may count for 100% of your course mark.

RESOURCES NEEDED:

- Math 11 Pre-Calc Text
- THSS Math 11 Pre-Calc Learning Guides.

LEARNING ACTIVITIES:

In order to review for the Final Exam, you should do the following:

2. Go to the Math 11 Pre-Calculus Review and Practice Quizzes section (LG 20) on-line at www.thssmath.com or go directly to them by clicking on the following links:

   - Practice Final #1
   - Practice Final #2
   - Practice Final #3
   - Practice Final #4
   - Practice Final #5

3. If you need additional questions to help you prepare for the Final Exam, then complete the Cumulative Reviews and Unit Tests in the Pre-Calculus Math 11 textbook:
   a) Unit 1: pages 133-137
   b) Unit 2: pages 264-267
   c) Unit 3: pages 416-419
   d) Unit 4: pages 508-511
